

# Richard O'Brien, What Ever Happened To Saturday

What ever happened to Saturday night?  
When you got dressed up and you felt all right  
it don't seem the same since cosmic light  
Came into my life, I thought I was divine  
I used to go for a ride with a chick  
Who'd go and listen to the music on the radio  
A saxophone was blowing on a rock and roll show  
You'd climb in the back seat  
Really had a good time

Hot Patootie Bless my soul  
I really love that rock and roll (repeat 4 times)

My head used to swim with the perfume I smelt  
My hands kinda fumbled with her white plastic belt  
I'd taste her baby pink lipstick  
and that's when I'd melt  
she'd whisper in my ear tonight she really was mine  
Get back in front put some hair oil on  
Buddy Holly was singing his very las song  
With your arms around your girl you try to sing along  
You felt pretty good whew  
really had a good time

Hot Patootie bless my soul  
I really love that rock and roll (Repeat 4 times)
