

Richie Kotzen, High

I am so innocent i swear to god o but you pressure me
And i cant help but unwind
By now you know im not the stable kind
But you keep on testing me
Until i make you cry how long can i take you
You should know that the only way i can deal

Is to get high so high until everything is gone
And i cant say a word
I get high so high
Just to shut you out so i cant hear a word

I know your lookin for an endless love
But this thing aint what you think
Its more like endless work
You say im jaded and my mind is thick
And that im blind to trust
But i can see right through you
How long can i take you
You should know that the only way i can feel

Is to get high so high until everything is gone
And i cant say a word
I get high so high
Just to shut you out so i cant hear a word

When i am away from you my head is strong
When i get near you make sure my mind is gone
The only way to deal with you is to get high.....
