

# Richie Kotzen, Livin' In Bliss

I feel like a slave to life and I wanna run until I finally escape  
I trip on direction and I'm scrambled by all the words you throw in my face  
I try to express to you but you know it all before I begin to say  
I don't know where I'm going...  
But I'm going  
I'm going...

Can you channel this?  
Baby I won't miss any of your school girl chatter  
I'm gonna live in a bliss and forget all this  
And maybe you can wonder why

Trying to open up in a black hole where emotion bleed you dry  
That's all you gave to me  
And I'm using it to keep me numb and high  
I don't know what it is but I'm running from something

Can you channel this?  
Baby I won't miss any of your school girl chatter  
I'm gonna live in a bliss and forget all this  
And maybe you can wonder why

I don't know what it is but I'm ready I'm ready

So can you channel this?  
Baby I won't miss any of your school girl chatter  
I'm gonna live in a bliss and forget all this  
And maybe you can wonder why

Oh..  
Listen to your heart beat listen to the words speak  
You don't have to wonder why I'm living in bliss...  
Listen to my heart beat listen to the words speak  
You don't have to wonder why I'm living in bliss...
