

Richie Kotzen, Losin' My Mind

I'm in touch with myself just enough to
Know where I am
I'm in love with my drugs and I feel like
Superman
Oh I'm just confronting my fear
Just another hit out of here oh oh
I know I know im losing my mind oh oh I
Think I can fly
Oh oh im larger than life
Am I really here or am I losing my mind
I still talk to myself so I don't forget
Who I am
I can't sleep I can't walk but I can fly
Like superman
