

# Richie Kotzen, Misunderstood

You think your so misunderstood  
You tell your lies  
And to my eyes you look so good  
In your disguise  
And the more you talk about the more I start to believe in  
The line that feeds the lies will keep me blind and give you meaning

But that's wrong I'm so soft  
I'm a sucker for a taste  
And you make me feel...

Misunderstood and no good  
Like a number with a face  
I'm a dog stray and lost  
And I know I'll always be  
Misunderstood...

I feel contempt I feel confused  
I don't know why  
I think I lost my point of view  
I closed my eyes  
And the more I think about the less I seem to remember  
The way it was  
The way I am and how I lost the meaning

And that's wrong  
I'm so gone  
I don't know what to replace  
I don't wanna be...

Misunderstood and no good  
Like a number with a face  
I'm a dog stray and lost  
And I know I'll always be  
Misunderstood, yeah, yeah  
Misunderstood yeah, yeah

And you make me feel...

Misunderstood and no good  
Like a number with a face  
I'm a dog stray and lost  
And I know I'll always be  
Misunderstood and no good

Like a number with a face  
I'm a dog stray and lost  
And I know I'll always be  
Misunderstood...  
Yeah, yeah, yeah,

You think your world is so complete
