

Richie Sambora, Rest In Peace

Voodoo woman
I'll see you in my dreams
Gipsy woman
Down on Lonely Street
Gipsy was a friend of mine
In a sacred dream
Voodoo woman magic child
In time you will believe
Every time we say goodbye
Our love will rest in peace
After we make love tonight
Our love shall rest in peace
So say a prayer and close your eyes
Come lay your body down to sleep
After we make love tonight
Our love shall rest in peace
