

# Rick Astley, Body And Soul

Astley

Do you ever feel like you are drowning  
Do you ever feel like you are going under fast  
Do you ever feel that you are wasted  
And you need a little confidence to pull you through  
Do you ever feel like you are losing  
Does it ever feel like you are fighting against the tide  
Do you ever feel like you are helpless  
and you need somebody who can show you the way

(Chorus)

You know that I'm always with you  
You know that I'm by your side  
You know that I'm always with you  
In body and soul, body and soul

Do you ever feel like you are running  
Do you ever feel like you are hiding from the truth  
Do you ever feel that you have wasted all the precious time  
that you've been given all of our life

(Repeat chorus)

You may get so sad and weary  
But you're never going under,  
do you ever sit and wonder why I  
Always there for you 'cos I won't let them drag  
No I won't let them drag you down

(Repeat chorus)
