

Rick Nelson, Fools Rush In

Fools rush in where angels fear to tread
And so I come to you my love my heart above my head
Though I see the danger there if there's a chance for me then I don't care
Fools rush in where wise men never go
But wise men never fall in love so how are they to know
When we met I felt my life began so open up your heart and let this fool rush in
[guitar]
Fools rush in where wise men never go...
Just open up your heart and let this fool rush in
Well open up your heart and let this fool rush in
