

Rick Nelson, For You

I will gather stars out of the blue for you yes baby for you
I'll make a string of pearls out of the dew for you yes baby for you
Over the highway and over the street carpets of clover I'll lay at your feet
Oh well it's nothing in this world I wouldn't do for you yes baby for you
[guitar]
Over the highway...
I wouldn't do for you yes baby for you oh I wouldn't do for you yes baby for you
