

# Rick Nelson, Here I Am

If you're looking for a new love here I am  
If you're searching for a true love well here I am  
Oh I'll hold you day and night no I'll never let you out of my sight  
If you're looking for a true love here I am  
Have you ever been lonely have you ever ever felt real blue  
Does your heart need that someone who is kind faithful and true  
If you're looking for that someone here I am  
If you're searching for an only one well here I am  
Oh I've never shared a true love and I've never ever had a real love  
If you're looking for a good love here I am hmm hmm here I am
