

Rick Nelson, Mystery Train

Train I ride sixteen coaches long train I ride sixteen coaches long
Well that long black train brought my baby back home
Train train coming round around the bend
Train train coming round around the bend
Well it took my baby but it never will again no again

Train train coming down down the line train train coming down down the line
Well bring in my baby cause she's mine oh my oh yeah
[guitar]
Train train coming round around the bend...
