

# Rick Price, Heaven Knows

She's always on my mind,  
from the time i wake up  
'till i close my eyes  
she's everywhere i go  
she's all i know

'Though she's so far away  
it's just keeps getting stronger  
every day  
and even now she's gone  
i'm still holding on

So tell me where do i start  
'cause it's breaking my heart  
don't wanna let her go

chorus:  
Maybe my love will come back some day  
only heaven knows  
and maybe our hearts will find their way  
only heaven knows  
and all i can do is hope and pray  
'cause heaven knows

My friends keep telling me  
that if you really love her  
you've gotta set her free  
and if she returns in kind  
i'll know she's mine

So tell me where do i start  
'cause it's breaking my heart  
don't wanna let her go

chorus

Why i live in despair  
'cause while awake or dreaming  
i know she's never there  
and all these time i act so brave  
i'm shaking inside  
why does it hurt me so...

chorus

heaven knows...
