

# Rick Roberts, Pick Me Up On Your Way Down

You were mine for just a while  
Now you're puttin' on the style  
And you've never once looked back  
At your home across the track  
You're the gossip of the town  
But my heart can still be found  
Where you tossed it on the ground  
Pick me up on your way down  
Pick me up on your way down  
When you're blue and all alone  
When their glamour starts to bore you  
Come on back where you belong

You may be their pride and joy  
But they'll find another toy  
And they'll take away your crown  
Pick me up on your way down

SOLO

They have changed your attitude  
Made you haughty and so rude  
Your new friends can take the blame  
Underneath you're still the same

When you've learned these things are true  
I'll be waiting here for you  
As you tumble to the ground  
Pick me up on your way down  
Pick me up on your way down  
When you're blue and all alone  
When their glamour starts to bore you  
Come on back where you belong

You may be their pride and joy  
But they'll find another toy  
And they'll take away your crown  
Pick me up on your way down
