

Rick Springfield, If We Can Help One Another

If We Help One Another, na na na na...

You know the path is never easy
No matter which one you might choose
But with you we can do it, together we'll go thru it

If We Help One Another, na na na na...

And if you need someone to lean on
Then you'll know just who to call
'Cos with you we can make it, together we can take it

If We Help One Another, na na na na...

And if you need someone to lean on
Then you'll know just who to call
'Cos with you we can make it, together we can take it

If We Help One Another, na na na na...

Na na na na na na...
