

Rick Trevino, In My Dreams

I used to think I was the only one.
Who never knew what it was like to fall.
But you came along changed all the rules that day.
An' just for a moment I had it all.
You are the dream I live with, you are the wish I'd made:
The name I always whisper in every prayer I pray.
Now that you left me; while you forget me.
I'll hold you in my dreams.

Now I go on here in my lonely world.
But there's still a bridge I cannot cross.
I can't let go so please forgive me, girl.
'Cause God only knows all that I've lost.

You are the dream I live with, you are the wish I'd made:
The name I always whisper in every prayer I pray.
Now that you left me; while you forget me.

You are the dream I live with, you are the wish I'd made:
The name I always whisper in every prayer I pray.
Now that you left me; while you forget me.
I'll hold you, I'll hold you, in my dreams.
