

Rick Wright & Dave Harris, Seems We Were Dreaming

When you go to sleep
Your life is a picture
Pictures you're dreaming
Seems we were dreaming
Secrets you've been keeping
Sleeping on your mind
Let me close my eyes
To see what I'm feeling
Feel what I'm needing
When you go to sleep
In my head is a picture
Pictures we're dreaming Seems we were dreaming
Pictures
Pictures
Let me close my eyes
To see what I'm feeling
Feel what I'm needing
Seems we were dreaming
Pictures
Secrets you've been keeping
Sleeping on your mind
When you go to sleep
In my head is a picture
Pictures we're dreaming
Go to sleep
Go to sleep
See what I'm feeling
