

Ricki Lee, Real Good Time

The sun is shining on my face
As I lay in your embrace
And when I look into your eyes
I am lost in paradise

You take my breath away
And I'm gonna love you everyday

I wanna fell you next to me, I wanna see you constantly
And I know that we'll always be
Together baby, you and me
were gonna have a real good time
Doesn't matter if it's rain or shine
I'm gonna love you 'till the end of time
And baby I'm so happy your mine

I never felt this way before
Didn't think I could love you anymore
But I love you more with everyday
And your love could never be replaced, honey

You make me feel alive
Just knowing that you're mine

I wanna fell you next to me, I wanna see you constantly
And I know that we'll always be
Together baby, you and me
were gonna have a real good time
Doesn't matter if it's rain or shine
I'm gonna love you 'till the end of time
And baby I'm so happy your mine

Words can't express the way I feel
I love you baby, your the real deal

I wanna fell you next to me, I wanna see you constantly
And I know that we'll always be
Together baby, you and me
were gonna have a real good time
Doesn't matter if it's rain or shine
I'm gonna love you 'till the end of time
And baby I'm so happy your mine
