

Ricki Lee, U Wanna Little Of This

Hey oh, you wanna little of this
You wanna little, wanna little of this

Just past eleven o'clock
Roll up in the club, wanna rock the spot (uh oh)
Girls out, 'bout to bubble it up
Boys take a look, see what you can't touch (uh oh)
Seven jeans and a Prada bag
Six-inch heels, how you liking that?
Working it out, he's checking it out
I'm knocking 'em down round after round

I can feel the bassline jumping
Watch out there's my song

Ladies
Let me see your hands up in the air
Ladies
Show 'em what you got, shake it all around
Yeah yeah, hey oh
You wanna little of this
You wanna little, wanna little of this
Hey oh, You wanna little of this
You wanna little, wanna little of this

I'm not what you think I am
You ain't gon' get what you think you can (uh oh)
Oh no, you ain't the man
You might be fine but I don't give a damn (uh oh)
Cos I'm here with my girls tonight
No strings attached, no guys required
Wanna let my hair down, get out on the town
DJ, turn it up nice and loud

I can feel the bassline jumping (ooh whoa)
Watch out there's my song

Ladies
Let me see your hands up in the air
Ladies (hands in the air)
Show 'em what you got, shake it all around (sing it ladies)
