

# Rickie Lee Jones, So Long

(Larsen-Hall)

You'll always find what you're after, baby  
You'll find the sun and laughter  
So Long  
My Darling  
So Long

You're alone  
Can't seem to find you anywhere  
But I know you're better there  
So Long  
My Darling  
So Long

I lie awake  
Thinking about you endlessly  
I will wait  
Under the stars  
That silence me
