

# Ricky J, Loot

Break it down now  
Get on your hands comon now don't front get your hands up  
Everybody in the club time to stand up  
Ricky J's here to play Yo the man's up  
What you plan to  
WA WA wawa one two one two  
I bring the stuff that you love like you knew I do  
I see you stop and you stare like you want who you know who  
Stop this who are you  
Rj always be flossing all day Get kissed in hallways  
learn tricks of all trades  
Spot girls when they man don't see me  
You'll just see Are you down wit opp Yea you know me  
I like them hot girls thin in the waist and plus they got curls  
You know the type tight spandex seeing they move  
and watch their pants stretch  
Wondering which of these girls I'm gonna land next

Chorus  
Baby I thought you were my man  
Saying that you'd do anything for me  
Lately we getting all we can ladies if you understand  
and you feel me waive your hands

Oh No  
What if she wants a cell phone Oh no what if she  
wants my benzo  
Hold up girl can't we both just wait a minute  
Think of all the good friends and places we can visit  
I'll take you to my crib if you're ready to go trips crib  
I met you just ten minutes ago  
Stop the daydream it's just a date see you must be  
crazy I'm not your baby  
What about your ride outside your ain't getting it  
Shouldn't that cash be mine you ain't getting it  
What if I'm by your side you ain't getting it  
Its all ming baby please stop sweating it

Chorus  
Baby I thought you were my man  
Saying that you'd do anything for me  
Lately we getting allwe can ladies if you understand  
and you feel me waive your hands  
I thought that (what) you were my man  
(baby girl you thought wrong (x2)) x2

You got no blank checks tonight  
You best be right Who do I look like to you Wesley Snips  
Try and snatch me at the bar cause your dress be tight  
Chest be nice yea you're looking sexy right  
But no I don't want no pigeons landing on your  
victims granting your wishes  
What's next you'll be booming my system you get  
the lex while I'm doing your dishes  
What about your ride outside you ain't getting it  
Shouldn't that cash be mine you ain't getting it  
What if I'm by your side you ain't getting it it's all  
mine baby please stop sweating it

Chorus
