

Ricky Martin, Come To Me

This is not the way I wanted things to be
I hope someday you'll understand
My heart beats stronger when I know I'm close to you
Its helped me be a better man

why must all of the love come falling
why don't we just take our chance
I could walk this road again with you
my love....oh,oh

CHORUS

why can't you come to me
don't save your love for some
elusive dream
why can't you find your way
I will fall for you no matter where
it leads

this is not the way we started you and I
how was it that I lost my way
two souls can drift apart
without a word
were those the words I did not say

why must all of the dreams
come falling
why don't we just take our chance
I could walk this road again with you
my love...oh, oh

REPEAT CHORUS

I would walk this road again with you my love

REPEAT CHORUS
