

Ricky Martin, If You Ever Saw Her

Hey! You know what boy?
That girl is amazing
But she will drive you crazy
Look out!

She's got a look in her eye
that says she knows why just to taste her is never enough
She gets a thrill out of loving and watching you suffering
she says you can look but don't touch
So don't go fooling yourself
Like so many others
Who've fallen for only a smile
But if you're in for the ride
Hold on tight
Adios and kiss your heart goodbye

[Chorus:]

Oh and if you ever saw her
Well she's every dream girl from Monroe to Madonna
You'll swear she walks on water
She's so fine
Oh and if you ever kissed her
Well I tell you my friend you could never resist her
And if you ever saw her
You'd know why

She holds your heart in her hand
She'll make you a man
But she'll play you however she wants
Just when you think that you're winning
Your head starts spinning
You open your eyes and she's gone
So don't believe you're the one
Don't think that this dream is forever, it's only a game
But if you're in for the ride, hold on tight
Adios and kiss your heart goodbye

[Chorus]

You know why, you know why
She's an atom bomb and she's waiting
to blow you away, away
You better run for cover and pray

Adios and kiss your heart goodbye

[Chorus]

Mi chica bonita

[Chorus]
