

# Ricky Nelson, Anytime

Anytime you want me, I'll be there  
Anytime at all now I don't care  
Just say the word and I'll be there  
Anytime, anytime, anytime

I can take it tell me right away  
I can make it now or any day  
Just say the word and I'll be there  
Anytime, anytime, anytime

Do you feel the feeling that I feel inside  
When we're together are you warm inside

Anytime you want me call my name  
Anytime you say, I'll take the blame  
Just say the word and I'll be there  
Anytime, anytime, anytime

Anytime, anytime, anytime

If you think you'd ever wanna be with me  
I'll try to show you what you mean to me

Anytime you want me, I'll be there  
Anytime at all now I don't care  
Just say the word and I'll be there  
Anytime, anytime, anytime
