

Ricky Nelson, Easy To Be Free

Did you ever want to go
Where you've never been before?
Did you ever want to know
Things you've never known before?
I'll take you there with me
And maybe then you'll see
It's easy to be free, yeah

Did you ever want to fly
Over the rainbow skies so high?
Did you ever wonder why
People tell you not to try?
I'll take you there with me
And maybe then you'll see
It's easy to be free, yeah
It's so easy to be free, yeah

I stood and waited where the river runs
It felt so good to feel the morning sun
And after all is said and done
I'm free..

Did you ever want to go
Where you've never been before?
Did you ever want to know
Things you've never known before?
I'll take you there with me
And maybe then you'll see
It's easy to be free, yeah
It's so easy to be free, yeah
It's so easy to be free, yeah, yeah
