

# Ricky Nelson, I Tried

You said to go out and find another girl  
Well I tried  
Well yes I looked all over this world  
And I tried  
Some were pretty, some even rich  
Still you know I'd rather fight than switch  
'Cause each lonely day that I've been away  
I've cried

I tried to forget you leave my past behind  
I tried oh, and yet you seem to  
Always be here on my mind

When you told me you never cared  
You lied  
Don't deny at times you were oh  
So satisfied  
I always knew that our love could be  
If you'd only gone about it like me  
I did the one thing you never seem to do  
I tried

I tried to forget you leave my past behind  
I tried oh, and yet you seem to  
Always be here on my mind

When you told me you never cared  
You lied  
Don't deny at times you were oh  
So satisfied  
I always knew that our love could be  
If you'd only gone about it like me  
I did the one thing you never seem to do  
I tried  
I tried, I tried, I tried, baby I tried  
I tried, baby I tried, I tried, baby I tried
