

Ricky Nelson, Liz

I'm gonna tell everybody why I'm dizzy
I've been slippin' around with miss Lizzy
Lizzy baby is meant for me
Gives me all the love I need
I'm gonna tell everybody about Liz

Woh, woh, woh, woh, woh, woh, woh, woh, woh, woh
Woh, woh, woh, woh, woh, woh, woh

I'm gonna tell everybody why I'm walkin'
I can't sit still 'til I hear Lizy talkin'
When we dance all the boys can see
Lizzy baby is built for speed
I'm gonna tell everybody about Liz

Woh, woh, woh, woh, woh, woh, woh, woh, woh, woh
Woh, woh, woh, woh, woh, woh, woh

When the boys start hangin' 'round my Liz
She's gonna turn her back and tell them who her daddy is

I'm gonna tell everybody all my wishes
I won't let my sweet Lizzy wash the dishes
We're gonna live our love alone
When we build a happy home
I'm gonna tell everybody about Liz

When the boys start hangin' 'round my Liz
She's gonna turn her back and tell them who her daddy is

I'm gonna tell everybody all my wishes
I won't let my sweet Lizzy wash the dishes
We're gonna live our love alone
When we build a happy home
I'm gonna tell everybody about Liz

Woh, woh, woh, woh, woh, woh, woh, woh, woh, woh
Woh, woh, woh, woh, woh, woh, woh
