

# Ricky Nelson, Mr. Dolphin

I just talked to a dolphin the other day about things  
And he said hey boy, what's your hurry  
He said if I was you, I'd rather be me  
I guess that's the way it's supposed to be  
So don't you worry, no, try to love one an' other

I said take a look around town  
Look what ya got to pick from  
You got a whole lot of people  
Just tryin' to get somethin' from someone, yeah

But then he said you can't start thinkin' like that  
Because you know it's not where it's at  
You gotta open up your mind  
Leave the other world behind

I said it's easier said than done  
He said no, no, all you gotta do is love one an' other  
Take your time, try to rhyme  
Shake the hand of your brother, yeah  
And just love one an' other

I said thank you Mr. Dolphin  
You're my friend now Mr. Dolphin  
Once again now Mr. Dolphin  
I said thank you, thank you  
Mr. Dolphin, yeah

I said take a look around town  
Look what ya got to pick from  
You got a whole lot of people  
Just tryin' to get somethin' from someone, yeah

But then he said you can't start thinkin' like that  
Because you know it's not where it's at  
You gotta open up your mind  
Leave the other world behind

I'll see you later Mr. Dolphin and thanks again  
For savin' my mind from oblivion and then some  
He said now don't you thank me 'cause it's up to you  
You gotta be as truthful as you can be to you son  
Just love one an' other

I said: thank you Mr. Dolphin  
You're my friend now Mr. Dolphin  
Once again now Mr. Dolphin  
I said thank you, thank you  
Mr. Dolphin, yeah

I said: thank you Mr. Dolphin  
You're my friend now Mr. Dolphin  
Once again now Mr. Dolphin  
I said thank you, thank you  
Mr. Dolphin
