

# Ricky Nelson, Truck Drivin' Man

I stopped at a roadhouse in Texas  
In a little place called Hamburger Den  
I heard that old jukebox start playin'  
A tune called the truck drivin' man

The waitress then brought me some coffee  
I thanked her then called her again  
I said that old song sure does fit me  
'Cause I'm a truck drivin' man

Well pour me another cup of coffee  
For it is the best in the land  
I'll put a nickel in the jukebox  
And play the truck drivin' man

I climbed back aboard my old Semi  
And then like a flash I was gone  
I got them old truck wheels a movin'  
Now I'm on my way to San Antone

When I get my call up to glory  
They'll take me away from this land  
I'll head this old truck up to heaven  
'Cause I'm a Truck Drivin Man

Well Pour me another cup of coffee  
For it is the best in the land  
I'll put a nickel in the jukebox  
And play the truck drivin' man
