

# Ricky Nelson, We've Got A Long Way To Go

It's alright to take my hand, I'm your brother  
Wanna show you one way or another  
Come on and walk with me  
I wanna make you see that's it's alright  
It's alright

It's alright to take a stand, I'm your brother  
Don't be afraid, we all belong to each other  
I want to make you see that's it's alright  
It's alright

Don't let it get ya down  
We're gonna change I know  
So put your feet on the ground  
We got such a long way to go  
We got such a long way to go  
We got such a long way to go

It's alright to take my hand, I'm your brother  
Don't be afraid, we all belong to each other  
Come on and walk with me  
I wanna make you see that's it's alright  
It's alright

Don't let it get ya down  
We're gonna change I know  
So put your feet on the ground  
We got such a long way to go  
We got such a long way to go  
We got such a long way to go  
We got such a long way to go  
We got such a long way to go  
We got such a long way to go
