## Ricky Skaggs, He Was On To Somethin'

HE WAS ON TO SOMETHIN' (SO HE MADE YOU) (Sonny Curtis)
'87 Acuff-Rose Music

The moon ain't vellow and the moon ain't blue It ain't made of cheese and it don't have a ting to do With me and you Your mind ain't straight and your heart can't break Tears don't roll and lips don't taste Like cherry wine sugar and honey dew But honey when you tell me that you love me true I believe in you and ooh your love makes everything come true Cause love makes a blue moon turn gold Makes a heart break and makes a tear roll When God made love I betcha he knew That he was on to somethin' so he made you Midnight really ain't the middle of the night It's easier to the left or a little bit to the right It's ever so slight The sun don't move and it can't go down It never comes up and it don't roll around Heaven all day the sun don't roll around But honey when you tell me that you love me true I believe in you and ooh your love makes everything come true Love makes the sun come up and go down... Love makes the sun come up and go down... Yeah he was on to something so he made you
