HE WAS ON TO SOMETHIN' (SO HE MADE YOU)

(Sonny Curtis)

'87 Acuff-Rose Music

The moon ain't yellow and the moon ain't blue  
It ain't made of cheese and it don't have a ting to do  
With me and you  
Your mind ain't straight and your heart can't break  
Tears don't roll and lips don't taste  
Like cherry wine sugar and honey dew  
But honey when you tell me that you love me true  
I believe in you and ooh your love makes everything come true  
Cause love makes a blue moon turn gold  
Makes a heart break and makes a tear roll  
When God made love I betcha he knew  
That he was on to somethin' so he made you  
Midnight really ain't the middle of the night  
It's easier to the left or a little bit to the right  
It's ever so slight  
The sun don't move and it can't go down  
It never comes up and it don't roll around  
Heaven all day the sun don't roll around  
But honey when you tell me that you love me true  
I believe in you and ooh your love makes everything come true  
Love makes the sun come up and go down...  
Love makes the sun come up and go down...  
Yeah he was on to something so he made you
