## Ricky Skaggs, I'm ready to go

| Hallelujah, | I'm ready I | can hear | the voices | singing so | oft and low | Hallelujah, | I'm ready | Hallelujah, | l'm |
|-------------|-------------|----------|------------|------------|-------------|-------------|-----------|-------------|-----|
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
|             |             |          |            |            |             |             |           |             |     |
