

# Ricochet, Blink Of An Eye

I felt my heart rate jump  
I felt adrenaline pump  
The split second that I saw you walk in  
A little voice inside  
Said "Better hold on tight  
Get ready set go you're gonna fall again"

Chorus:

How fast is a speeding bullet  
How fast can Superman fly  
How fast does a shooting star  
Race across the sky  
How fast can a dream come true  
All I know is one look at you  
And I fell in the blink of an eye.  
I felt my temperature burn  
I felt the whole world turn  
Like gravity was pulling your heart to mine  
When you looked at me like that  
Quicker than a finger snap  
I saw you and me forever in record time

Repeat Chorus

Second Chorus:

How fast is a ricochetin' bullet  
How fast can Superman fly  
How fast can a dream come true  
All I know is one look at you  
And I fell in the blink of an eye  
How fast can a dream come true  
In the blink of an eye  
How fast can I fall for you  
In the blink of an eye
