

Ricochet, What Do I Know

Hey i've been around i've seen it all
Love is a chain around your heart
That holds you down
You're better off runnin' away before it starts
I wanted to chase my dreams
I thought freedom meant everything but

Hey, hey what do i know
I'm just a lonely fool that let you go
And now what do i do
Thought i could live without you but
What do i know

Look who i've become i wanted it all
Oh but it hasn't happened yet
Look what i've done i've built a wall
In between me and happiness
I had the answers i made the rules
And i thought i had nothing to lose but

Hey, hey what do i know
I'm just a lonely fool that let you go
And now what do i do
Thought i could live without you but
What do i know

I had the answers i made the rules
And i thought i had nothing to lose but

Hey, hey what do i know
I'm just a lonely fool that let you go
And now what do i do
Thought i could live without you without you but
What do i know
But what do i know
