Riddlin Kids, Any Day Now

if you would just be nice
look into my eyes
i think everything would click with us
everything would be alright
i don't want to be alone again
i need to see you
i need to see you
Go....

(chorus):
cause i just want to be
with you but theres no way now
and now i have to leave
ill be back any day now

and i wish you could see
how much you mean to me
i didn't mean to scare you off again
i didn't mean to make you scream
you might think that your along tonight
but i can see you
i can see you
