

Riddlin' Kids, Nowhere to Run

I can't take another day.
Seems like everything is slowly fading far away.
And I don't know what to think, but at least I know it's got me thinking.
Cause all I know is I'm not feeling right, and now I need another reason to try.

I wanna run away.
There's nowhere I can run to and now I don't understand, cause I'm not having fun,
And now it seems like everything we had once has gone wrong.

I'm the king of dumb mistakes.
I've made my bed, but I wwon't lie in it.
How much more can one guy take?
This pressure has got me going out of my mind.
Cause all I know is I'm not feeling right, and now I need another reason to try.

I wanna run away.
There's nowhere I can run to and now I don't understand, cause I'm not having fun,
And now it seems like everything we had once has gone wrong.

I wanna run away.
There's nowhere I can run to and now I don't understand, cause I'm not having fun,
And now it seems like everything we had once has gone wrong.

I wanna run away.
There's nowhere I can run to and now I don't understand, cause I'm not having fun,
And now it seems like everything we had once has gone wrong.
