

# Riddlin Kids, See The Light

Never thought this time would come this time I can't believe it,  
And now I don't know what to do.  
Never thought I'd face the truth, it's hard not to repeat it.  
I'll never fall in love again.

Then she came to me and I got to see the light, and  
I'm wondering what she's doing here.  
Is it only sympathy, or is it all just in my mind.  
Yeah I'm wondering what she's doing here.

Everyday seems like a weight's been lifted off my shoulders.  
There's only one thing left to do.  
Well, I can't play this game no more cause I'm just getting older.  
And now I think the jokes on you.

Then she came to me and I got to see the light, and  
I'm wondering what she's doing here.  
Is it only sympathy, or is it all just in my mind.  
Yeah I'm wondering what she's doing here in my room tonight.

You're always telling me, always telling me, always telling me that you wanna be free.  
You will never see the light. See the light.

Then she came to me and I got to see the light, and  
I'm wondering what she's doing here.  
Is it only sympathy, or is it all just in my mind.  
Yeah I'm wondering what she's doing here.
