

Riddlin' Kids, Tina

You walk into this place.
The light shines on you're face, and I wish you were mine.
There used to be a time....
You aim a smile at me.
I can't even speak.
I'm too scared to try, just a waste of time.

Just a waste of time.

Tina you just act like you don't know the way I feel.
You call me back each night to reinsure my dream is real.
How long do you plan to keep on stringing me along?
I'm realizing I was wrong and you're just a waste of time.

Just a waste of time.

Look at what you've done to me! Tina!

All my friends are warning me, but I'm just way to blind to see.
I've just got to disagree.
I don't claim to know the way, but I'll snap out of it some day.
I don't claim to know the way.

I don't have the time to sit and wait, to sit and wait.
I don't have the time.
I'm losing my sanity!

Look at what you've done to me! Tina!

All my friends are warning me, but I'm just way to blind to see.
I've just got to disagree.
I don't claim to know the way, but I'll snap out of it some day.
I don't claim to know the way.
