

# Ride, Nowhere

I should have known better  
Than to expect it all  
You want everything  
And you end up grabbing at air

I had so much to give  
So much hope, we held each other high  
But the heroes are gone  
And all that's left is you and me

I learned the hard way  
That life should be easy  
But I want you to know that it was hard to show  
The things that I know now

All that's left is you and me  
And here we are, nowhere

All that's left is you and me  
And here we are, nowhere
