

# Rie Fu, Life Is Like A Boat

Nobody knows who I really am  
I never felt this empty before  
And if I ever need someone to come along  
Who's gonna comfort me and keep me strong

We are all rowing the boat of fate  
The waves keep on comin' and we can't escape  
But if we ever get lost on our way  
The waves would guide you through another day

Nobody knows who I really am  
Maybe they just don't give a damn  
But if I ever need someone to come along  
I know you would follow me, and keep me strong

And every time I see your face,  
The oceans heave up to my heart  
You make me wanna strain at the oars,  
And soon I can see the shore

Oh, I can see the shore  
When will I see the shore?

I want you to know who I really am  
I never thought I'd feel this way towards you  
And if you ever need someone to come along  
I will follow you, and keep you strong

And every time I see your face,  
The oceans heave up to my heart  
You make me wanna strain at the oars,  
And soon I can see the shore

Nobody knows who I really am  
I never felt this empty before  
And if I ever need someone to come along  
Who's gonna comfort me, and keep me strong?

We are all rowing the boat of fate  
The waves keep on comin' and we can't escape  
But if we ever get lost on our way  
The waves would guide you through another day

Breathing in the distance  
As if I've become transparent  
It seemed to be the dark  
But I was merely blindfolded

I offer my prayers  
And wait for a new day  
To the end of the sea  
That shines vividly

Nobody knows who I really am  
Maybe they just don't give a damn  
But if I ever need someone to come along  
I know you would follow me, and keep me strong

People's hearts move  
And want to slip out  
The moon in its new cycle  
Brings along boats again

And every time I see your face,  
The oceans heave up to my heart  
You make me wanna strain at the oars,  
And soon I can see the shore

Oh, I can see the shore  
When will I see the shore?

I want you to know who I really am  
I never thought I'd feel this way towards you  
And if you ever need someone to come along  
I will follow you, and keep you strong

The journey is still continuing  
On the calm days, too  
The moon in its new cycle  
Begins to shine on boats again

I offer my prayers  
And wait for a new day  
To the end of the sea  
That shines vividly

And every time I see your face,  
The oceans heave up to my heart  
You make me wanna strain at the oars,  
And soon I can see the shore

Rowing the boat of destiny  
The waves assault us  
One after the next  
But that's a wonderful journey, too  
Any one of them is a wonderful journey
