

# Rie Fu, Long Long Way

tsuyoku utatteitetookute nagai michinori demo  
aa souzoudoori ja nakutesore demototemo chiisana watashi o  
kimi wa poketto ni iretauu

So tell me, all the things you would  
koe nikoe nikoe ni  
So tell me, all the things you would  
koe nikometeimaomoi todokeru nouuu

Baby its a long long wayai wa kitto  
kimi ni kikoeteiru no deshou? To you...

So tell me, all the things you would  
koe nikoe nikoe ni  
So tell me, all the things you would  
Come near me, dont confuse me, dont confuse me, dont confuse me, dont...

And the strangest feeling I get  
When they start to speak in a language that I dont understand  
And I tried to be honest just for you  
But at that time  
I never was

So tell me, all the things you would  
koe nikoe nikoe ni  
So tell me, all the things you would  
koe nikometeimaomoi todokeru nouuu

hontou wa nanimo shiranaijibun no koto sae

Baby its a long long way for all that I can say
