sawagashi hibi koko ni oiteku
nagare ni somuitte hasho o yameru
watashi no shoutai hito go mi ni kakusu
ato sukoshi de kono machi mo kieru

ashita ni nareba wakaru sonna koto kanaeteita
There is nothing for me to say
Even if I do, you'll still be far away
So I say a little prayer

soko ni kotteta mukashi no kaori
nagare ni makase omoi wa odayaka ni
kimi no shoutai sukoshi zutsumeguru
ima koko ni iru koto sugu ni tsutaetai

ashita ni nareba wakaru sonna koto kanaeteita
There is nothing for me to say
Even if I do, you'll still be far away
So I say a little prayer

Oh, I feel so fine
Even if I fly at the speed of light
soredemo kitto watashi-tachi wa maesu shikanai

ashita ni nareba wakaru sonna koto kanaeteita
There is nothing for me to say
Even if I do, you'll still be far away
So I say a little prayer

When I wake up tomorrow morning
When I wake up tomorrow morning
When I wake up tomorrow morning, my doubts
are gonna be still there, but somethings new
