

Right Said Fred, Swan

Traffic jams, Concorde drones
TV's and radios drown me out
You won't change slamming doors
Temper, temper, that tongue of yours, drown me out

I've told you once when it comes to love
I'm like a swan, I only love once
I've told you once push comes to shove
I'm like a swan
I only love, only love, only love once

Dumbbells crash, babies cry
A thousand voices, mostly lies, drown me out
The underground, Marble Arch
The deafening snap of breaking hearts, drown me out

I've told you once when it comes to love
I'm like a swan, I only love once
I've told you once push comes to shove
I'm like a swan
I only love, only love, only love once

Barking dogs, the lonely roam
The great unlaid making their way home, drown me out

I've told you once when it comes to love
I'm like a swan, I only love once
I've told you once push comes to shove
I'm like a swan
I only love, only love, only love once
