

Righteous Pigs, Flee The Jurisdiction

Cops are on my ass
And I don't give a fuck
Fuck stupid laws
They really suck
Fuck fuckin' cops
They're just pigs
Giving us shit
Because we're kids
So they think...

Got my shit got my booze got my woman take me
To the station I don't wanna stay here anymore

Dual delivery
Two on one
Twice as good
Twice as fun

We'll fuck your face
Our cum you taste

Swallow choke gag
Cunt bitch
