

# Righteous Pigs, Hidden Zit

Is it really I can't see yet  
I know if I squeeze it I'm gonna regret  
It if gets real big I'll be upset  
It's gonna be huge wanna bet

I just tried to pop it, my nose turned red  
I'll try again tomorrow to pop it instead  
I just woke up and it's still here  
I squeezed it again, my fuckin' eyes teared

I finally got it to come to a head  
I squeezed and squeezed until it bleed  
It fuckin' hurt bad, enough is said  
My hidden zit's gone but my nose is still red

Hidden zit  
Fuck that shit  
Hidden zit  
Fucked up shit

Hidden zit  
Fuck that shit  
Pop that shit  
Hidden zit

I finally got it to come to a head  
I squeezed and squeezed until it bleed  
It fuckin' hurt bad, enough is said  
My hidden zit's gone but my nose is still red

I finally got it to  
come to a head  
I squeezed and squeezed until it bleed  
It fuckin' hurt bad, enough is said  
My hidden zit's gone but my nose is still red
