

Righteous Pigs, Ruinous Dump

Desolate planet revealed
Is inhabitation concealed?

All seems to be unused
Left abandoned and abused

Tragedy that lied dormant
Piece a puzzle left of fragments

Imagine destructive havoc
Illusion created blindly

What has caused this mass extinction
Deserted planet left in vision

Ruinous dump is here for viewing
Useless target for more wrongdoing

Desolate planet revealed
Is inhabitation concealed?

All seems to be unused
Left abandoned and abused
