

Rigor Mortis, Contagious Contamination

Blood, blood - runs from putrid sores
Screams, screams- worse than any war
Toxic, toxic - Sick contamination
Raping, raping - Through our planet's nations

[Chorus:]

Gruesome crimson bodies
Suffer final anguish
From waste or space
From a pissed off god
Where it comes from no one knows
Contagious contamination

Carnage, carnage - Fills the stinking streets
Rotten, rotten - Swollen rancid meat
Plague, plague - Everyone shall fall
Death, death - And darkness rule all

[Chorus]
