

Rihanna, I'm Back

It don't matter what I do
Always end up here with you
Baby I'm Back x 3
Baby I'm Back x 3
Your love something I can't pretend
I find myself with you again
Baby I'm Back x 3
Baby I'm Back,
Back with you again
It don't matter what I do
Always end up here with you
Baby I'm Back x 3
Baby I'm Back x 3
Your love something I can't pretend
I find myself with you again
Baby I'm Back x 3
Baby I'm Back,
Back with you again
