Oh oh oh
Oh oh oh

Now If it's lovin that you want
You should make me your girl, your girl
If it's lovin that you need
Baby come and share my world, come share my world
If it's lovin that you want
Come and take a walk with me, with me
Cause everything that you need
I got it right here baby, baby

(Verse 1:)

Now it's obvious you need a friend to
Come hold you down
Be that one to share your everything when
No ones around

Tell me all your dreams
Cause I can see you need someone to trust
You can trust in me

(verse 2; Corey Gunz)

hold up, let me get this straight
saying you be there to do whatever it takes
to make more brighter days in my life
my troubles would be over if I made you my wife,
right?
I ain't saying I doubt it, let me take a second
and think about it
Thought about it
I can deal with this chick
So I wouldn't mind being hand in hand on the strict
just make it happen baby

(Verse 3:)

It's been so long i've had this feelin
That we could be
Everything you've ever wanted and you, your fantasy
I won't push too hard to break your heart
Cause my loves sincere

So let me erase your fears
