Rihanna, Kisses Don't Lie

Kisses don't No they don't Never don't lie You can run if you want but you cant hide Telling you its the truth don't you ask why Kisses don't No they don't Kisses don't lie

[Verse 1:] Emotions come and go Who knows how the wind will blow? There so little in this world to trust in Seduce themselves with lies

Some don't realize

They call it love but its really only lusting

[Refrain:]

So you see you and me We're getting close to the danger zone Show me how tell me now Should I stay or should I go Cause I'm caught between yes and no

[Hook:]

Cause when you kiss me I feel everything that I been missing I try to slow down but my heart wont listen And its tearing me all up inside And when you touch me I feel a rush but I'm afraid that it might crush me Should I put my trust in something I don't trust in I try to run but theres no place to hide Cause baby kisses don't lie

Kisses don't No they don't Never don't lie You can run if you want but you cant hide Telling you its the truth don't you ask why Kisses don't No they don't Kisses don't lie

[Verse 2:]

You whisper in my ear But are your words sincere Cause pretty words can cut just like a knife You see I'm nobody's fool I play by my own rules So please think twice before you step into my life

[Refrain:]

So you see you and me We're getting close to the danger zone Show me how tell me now Should I stay or should I go Cause I'm caught between yes and no

[Hook x2]
